

## Checklist for paper submission (Volume 6)

Editorial Committee  
Radiological Nursing Society of Japan

\* Check each item below before submission, save and upload it with your manuscripts. Manuscripts submitted with any items without being checked may be refused and returned to the author, automatically.

Paper Title	
-------------	--

Item to check	☑	N.A.
1. Every author must be a member of the Society		
2. The author and all co-authors meet the requirements of authorship defined in the Instruction to Authors.		
3. The content has not been published or submitted to any other publications.		
4. Ethical considerations are mentioned appropriately, when necessary.		
5. Funding assistance received, if any, is described appropriately.		
6. Conflict of interest is explained appropriately.		
7. The manuscript is written on the proper template file		
8. The manuscript is written in Times New Roman, point 12.		
9. The number of words in the manuscript is within the limitation defined in Item 4, the Guideline.		
10. The information, which may identify the author(s) or the affiliate(s), is masked in the second manuscript for review. Make it sure in Acknowledgement and References, too.		
11. English texts (incl. title, abstract, body, etc.) were reviewed by a native checker, if the author(s) is (are) non-native.		
12. If the author is a Japanese, the abstract in Japanese is appended in the abstract page (Abstracts both in English and Japanese),		
13. The number of figures and tables are less than about 5 in total.		
14. The location to insert the figures and tables is specified in red in the text.		
15. References in the text are consecutively numbered (Vancouver rules).		
16. Reference numbers in the text correspond to the numbers in the citation list.		
17. There is no discrepancy between the information of the reference cited and the original.		
18. The citation format meets the rules of citation in the Guideline.		
19. All co-authors have agreed to transfer the copyright to the Society.
